**OFFICE OF PETITIONS**

In re Application of	:	
Mark Colman et al.	:	
Application No. 10/826,867	:	ON PETITION
Filed: April 16, 2004	:	
Attorney Docket No. 332260	:	

This is a decision on the renewed petition under 37 CFR 1.137(b), filed November 19, 2007, to revive the above-identified application.

The petition is **GRANTED**.

The above-identified application became abandoned for failure to submit the issue fee in a timely manner in reply to the Notice of Allowance/Allowability mailed May 8, 2007 which set a statutory period for reply of three (3) months. Accordingly, by operation of law, the above-identified application became abandoned on August 9, 2007.

The petition decision mailed November 8, 2007 indicates the petition under 37 CFR 1.137(b) filed September 26, 2007 was dismissed as failing to provide the required issue fee and petition fee.

The renewed petition includes the required fees.

The renewed petition satisfies the conditions for revival pursuant to the provisions of 37 CFR 1.137(b) in that (1) the reply in the form of the issue fee; (2) the petition fee of \$770; and (3) the required statement of unintentional delay have been received. Accordingly, the filing of the issue fee is accepted as having been unintentionally delayed.

Telephone inquiries concerning this decision should be directed to Carl Friedman at (571) 272-6842.

The application file is being referred to the Office of Patent Publication.
